### Swimming Lessons and Fees

**Swim to Survive:** School swimming lessons will be conducted using the Lifesaving Society Swim to Survive curriculum. This is **not the same** curriculum used during traditional swimming lessons. Participants receive a certificate at the end as they work towards achieving a Swim to Survive standard.

The Society defines the minimum skills needed to survive an unexpected fall into deep water. These are expressed in a skill sequence in the Canadian Swim to Survive standard:

- **ROLL into deep water**
- **TREAD water for one minute**
- **SWIM 50 metres**

Additional instructors may be required depending on the age, ability, and number of swimming lesson participants. This is to ensure the safety of Portage Pool staff and the participants as well as to provide a better quality swimming lesson.

Swimming lesson ratios are roughly:

- Ages 3-6 = 1:5
- Ages 6-8 = 1:8
- Ages 9+ = 1:10

**Red Cross Swim @ School:** A participation-based swimming and water safety program designed specifically for schools that allows entire classes to participate at different levels of ability. The skills and knowledge in this program have been selected to prepare students to participate safely in aquatic activities. This program is divided up into 3 levels (Beginner, Intermediate and Advanced) that can be offered as a 2-5 lesson set, 30-60 minutes in length.

Cost of \$20.00/student. These fees are all inclusive, there are no additional fees for instructors, pool space, etc.
